Beneficiary Georgette Karabian objected to the accounting and a mandatory settlement conference was held on 3/12/12. 		<b>Petitioner alleges:</b> On, April 23, 2012, after CPS went to mother's home regarding allegations of physical abuse the children were placed with the Petitioner. Petitioner sought financial assistance through DCSS. Once mother found out that she would no longer be receiving money for the children she went to the Petitioner's home with police and retrieved the children. While the children were in the Petitioner's care she took them to the doctor, got them updated on their shots and began medical testing for the eldest child as he is behind in his speech. Petitioner has heard from family members that the mother hits the children with magazines, throws them off beds, ignores them when they are hungry and has thrown one child against the wall.
